

No One

Marc Anthony

I whisper words about you endlessly
Mostly to myself 'cause you make me believe
No one could ever love you like I could
There wouldn't be a day you'd feel alone
And never would there be a time you didn't know
'Cause no one could ever love you like I could

So if you'd be the one to share my dreams
I'd never let you go
If you'd stay with me
I promise you would know
Of all the times I reached out for you
Girl can't you see how I adore you
I couldn't spend my life without you
Please believe me I would never doubt you
I'll be the one to answer all your prayers
Anytime you need me, know that I'll be there
'Cause no one could ever love you like I could
I'm hopin' that you hear these prayers of mine
I'm hopin' that we'll be together for all time
'Cause no one could ever love you like I could

Oh! I would do anything
To share that special place in your heart
Please let me be the one who would mean everything
There'll be no one to keep us apart

Of all the times I reached out for you
Girl can't you see how I adore you
I couldn't spend my life without you
Please believe me I would never doubt you
Of all the times I reached out for you
Girl can't you see I'm dying for you
I couldn't spend my life without you
Please believe me I would never doubt you
