## **And You Don't Remember**

## **Mariah Carey**

Mah baby Hey Hm

Shattered dreams
Cut through my mind
Tragically our love has died
Memories confine my head
Bitterly I face the end

Trustingly
I gave myself to you
I let you inside
Believing your lies

And you don't remember
Every time you told me
You were mine for ever
For eternity
Uhhuh
And you don't remember
How you used to hold me
How we'd melt together
How you needed me
How we used to be
In love

Stranded here In notingness With only tears And lonliness

Foolishly
I gave my soul to you
I let you inside
Believing your lies

And you don't remember
Every time you told me
You were mine for ever
For eternity
Uhhuh
And you don't remember
How you used to hold me
How we'd melt together
How you needed me
How we used to be
In love

Helplessly
I fell so deep
I was so naive
To let you in
Why did I let you in
To my heart

(And you don't remember)

No (Anything you told me) Anything that you told me (You were mine forever) You were mine forever For eternity Yes you will And you don't remember (And you don't remember) How you used to hold me How we'd melt together Together How you needed me How we used to be In love Ноооа
