

# Forever

**Mariah Carey**

Those days of love are gone  
Our time is through  
Still I burn on and on  
All of my life  
Only for you  
From now  
Until forever  
And ever , my darling  
Forever  
You will always be the only one  
You will always be the only one  
As long as I shall live  
I'll hold you dear  
And I will reminisce  
Of our love all through the years  
From now  
Until forever  
And ever , my darling  
Forever  
You will always be the only one  
You will always be the only one  
If you should ever need me  
Unfailingly , I will return to your arms  
And unburden your heart  
And if you should remember  
That we belong together  
Never be ashamed  
Call my name  
Tell me I'm the one you treasure  
Forever  
And ever , my darling  
Forever  
You will always be the only one  
You will always be the only one  
You will always be the only one  
Forever  
You will always be the only one  
Forever  
You will always be the only one  
Forever  
You will always be the only one  
Forever  
You will always be the only one  
Forever  
You will always be the only one...  
Forever
