

Thank God I Found You

Mariah Carey

1. I will give up everything,
before I'd separate myself from you.
After so much suffering, I finally found unvarnished truth.
I was all by myself for the longest time, so cold inside.
And I heard from my heart it would not subside, I felt like dying.
Until you saved my life.

R: Thank God I found you, I was lost without you.
My every wish and every dream, some how became reality.
You brought the sunlight, complete in my whole life.
I'm overwhelmed with gratitude,
'cause baby I'm so thankful I found you.

2. I will give you everything,
there's nothing in this world I wouldn't do.
To insure your happiness, I'll cherish every part of you.
'Cause without you beside me I can't survive, I don't wanna try.
If you're keeping me warm each and every night, I'll be alright.
'Cause I need you in my life.

R: Thank God I found you, I was lost without you.
My every wish and every dream, some how became reality.
You brought the sunlight, complete in my whole life.
I'm overwhelmed with gratitude,
'cause baby I'm so thankful I found you.

*: See, I was so destitute before you came to me.
Looking back, I guess it shows that we were destined to shine.
After the rain, to appreciate, be careful what we have.
And I'll go through it all, over again,

to be able to feel this way.

R: Thank God I found you, I was lost without you.
My every wish and every dream, some how became reality.
You brought the sunlight, complete in my whole life.
I'm overwhelmed with gratitude,
sweet baby I'm so thankful I found you.

Thank God I found you, I was lost without you.
I'm overwhelmed with gratitude,
my baby I'm so thankful I found you.
You..., I'm overwhelmed with gratitude,
my baby, I'm so thankful I found you...
