

# Sanctuary

Marié Digby

No pretending  
No beginning, no ending  
No me without you, you without me  
That's all that I need

Ain't no boundaries  
No one else to please  
It's unusual to feel  
So complete like I'm where I'm supposed to be

Cuz over here when I'm with you I feel free (I'm Free)  
Here in my sanctuary there is no worries, No  
Here in my sanctuary there is no worries at all  
No, No worries at all (ohh)  
You're my sanctuary

The world is standin still  
That's just how it feels  
With a million things  
Going on around us they can't touch us here

This will remain, no  
Sheild from the sadness  
Sheild from my madness

Cuz over here when I'm with you I feel free, I feel Free  
Here in my sanctuary there is no worries, NO  
Here in my sanctuary there is no worries, at all  
NO, No worries at all  
You're my sanctuary

(I wanna stay, I wanna stay, I wanna)  
(I wanna stay, I wanna stay, I wanna)  
(I'm not afraid, I'm not afraid, I'm not)  
(I'm not afraid, I'm not afraid, I'm not)

(I wanna stay, I wanna stay, I wanna)  
(I wanna stay, I wanna stay, I wanna)  
(I'm not afraid, I'm not afraid, I'm not)  
(I'm not afraid, I'm not afraid, I'm not)

Cuz over here when I'm with you I feel free  
Cuz over here when I'm with you I feel free  
Cuz over here when I'm with you I feel free  
Oh, Ohhhhhh

Here in my sanctuary there is no worries, NO  
Here in my sanctuary there is no worries, at all  
NO, No worries at all  
You're my sanctuary

NO, No worries at all  
You're my sanctuary
