

# Hey, Cruel World...

Marilyn Manson

Hey, cruel world...  
You don't have what it takes  
We don't need your faith.  
We've got fucking fate.  
Hey, cruel world...  
You don't have what it takes  
We don't need your faith.  
We've got fucking fate.  
Creator  
Preserver  
Destroyer  
Ask which one I am.  
There's no drugged-out devils or  
Square-halo angels  
Walking among us.  
I am among no one  
I am among no one  
I am among no one  
No one  
Hey, cruel world...  
You don't have what it takes  
We don't need your faith.  
We've got fucking fate.  
Fate  
Fate  
Fate  
The center of the universe  
Cannot exist  
When there are no,  
No edges  
The center of the universe  
Cannot exist  
When there are no,  
No edges  
Hey, cruel world...  
You don't have what it takes  
We don't need your faith.  
We've got fucking fate.  
Fate  
Fate  
Fate  
Fate  
Fate, fate, fate  
Fate, fate, fate  
I am among no one  
I am among no one  
I am among no one  
No one  
Hey, cruel world...  
You don't have what it takes  
We don't need your faith.  
We've got fucking fate.  
Fate  
Fate  
Fate  
Fate
