

# Leave a Scar

Marilyn Manson

It's not like I made my self a list  
Of new and different ways to murder your heart  
I'm just painting that's still wet,  
If you touch me I'll be smeared  
You'll be stained  
Stained for the rest of your life

So turn around, walk away  
Before you confuse the way we abuse each other  
If you're not afraid of getting hurt  
Then I'm not afraid of how much I hurt you

I'm well aware I'm a Danger to my self  
Are you aware I'm a danger to others?  
There's a crack in my soul  
You thought was a smile

Whatever doesn't kill you...  
Is gonna leave a scar  
Whatever doesn't kill you...  
It's gonna leave a scar  
Leave a scar  
Leave a scar  
Whatever doesn't kill you, it's gonna leave a scar

I'm more like a silver bullet  
And I'm like a gun, not easy to hold  
I'm moving fast and if I stay inside your heart  
I'm certain that this will be  
The end of your life

So turn around, walk away  
Before you confuse the way we abuse each other  
If you're not afraid of getting hurt  
Then I'm not afraid of how much I hurt you

I'm well aware I'm a Danger to my self  
Are you aware I'm a danger to others?  
There's a crack in my soul  
You thought was a smile

Whatever doesn't kill you...  
Is gonna leave a scar  
Whatever doesn't kill you...  
Is gonna leave a scar  
Leave a scar  
Leave a scar  
Whatever doesn't kill you, it's gonna leave a scar

She warned you that she may fuck me  
But the chances are I'm gonna fuck you over  
She warned you that she may fuck me  
But the chances are I'm gonna fuck you over  
She warned you that she may fuck me  
But the chances are I'm gonna fuck you over  
She warned you that she may fuck me  
But the chances are I'm gonna fuck you over
