It's not like I made my self a list Of new and different ways to murder your heart I'm just painting that's still wet, If you touch me I'll be smeared You'll be stained Stained for the rest of your life So turn around, walk away Before you confuse the way we abuse each other If you're not afraid of getting hurt Then I'm not afraid of how much I hurt you I'm well aware I'm a Danger to my self Are you aware I'm a danger to others? There's a crack in my soul You thought was a smile Whatever doesn't kill you... Is gonna leave a scar Whatever doesn't kill you... It's gonna leave a scar Leave a scar Leave a scar Whatever doesn't kill you, it's gonna leave a scar I'm more like a silver bullet And I'm like a gun, not easy to hold I'm moving fast and if I stay inside your heart I'm certain that this will be The end of your life So turn around, walk away Before you confuse the way we abuse each other If you're not afraid of getting hurt Then I'm not afraid of how much I hurt you I'm well aware I'm a Danger to my self Are you aware I'm a danger to others? There's a crack in my soul You thought was a smile Whatever doesn't kill you... Is gonna leave a scar Whatever doesn't kill you... Is gonna leave a scar Leave a scar Leave a scar Whatever doesn't kill you, it's gonna leave a scar She warned you that she may fuck me But the chances are I'm gonna fuck you over She warned you that she may fuck me But the chances are I'm gonna fuck you over She warned you that she may fuck me But the chances are I'm gonna fuck you over
