

# Tattooed in Reverse

Marilyn Manson

So fuck your Bible and your Babel  
I made this psalm into my dirty bomb  
So dance, motherfucker, dance  
Racing to a red light

I'm un-stabled, I'm not a show horse  
I can't be bridled, of course  
I'm un-scabbed and un-regretted  
I got tattooed in reverse

You can't play this game, you've lost all the pieces  
So hold your breath and just wait  
(I'm sure) Someone else will pay for your sins  
But I'm not convinced by a costume  
This ain't my goddamn cup of tears

I'm un-stabled, I'm not a show horse  
I can't be bridled, of course  
I'm un-scabbed and un-regretted  
I got tattooed in reverse

Your confession means nothing  
So fuck your attrition  
There ain't nothing in my hourglass  
Just sand from a dead sea  
And I made it my weapon  
And I made it my weapon

Your confession means nothing  
So fuck your attrition  
There ain't nothing in my hourglass  
Just sand from a dead sea  
And I made it my weapon
