

2 Train

Mario

Theres a baby girl
That I know
And shes so fine
I meet her everyday
After school
Walk her to the train
To spend some time
Cause what her papa dont know
Won't hurt me
Mama thinks that
I'm a cutie
She can't date till her sweet sixteen
But we just tryna do out thang

So I meet her at the 2 train
Everyday
Riding all the way to 110th
I get to hold her hand
Whisper in her ear
The only time i get the time
Is on the 2 train
Is on the 2 train

We always meet in the back car
So no one else can interrupt
So much to talk about
So little time
I wish we didnt have to rush
Cause by 42nd - to have a listen
77nd - Reminiscing
96th Street - bout to start kissin'
And I'm about to do my thang

So I meet her at the 2 train
Everyday
Riding all the way to 110th
I get to hold her hand
Whisper in her ear
The only time i get the time
Is on the 2 train
Is on the 2 train

I can't wait
'Till we dont have to worry bout what no one
Has to say
'Cause we'll be free
Won't have to sneak around no more
But we're here now
And the futures not so far away
So until that day I'll say

So I meet her at the 2 train
Everyday
Riding all the way to 110th
I get to hold her hand
Whisper in her ear
The only time i get the time

Is on the 2 train
Is on the 2 train
