

Mayflower May

Marissa Nadler

Without a lover
Without a friend
Without a saviour
Without a friend
Without a lover
Without a friend
Mayflower walked away
Away towards the air
And if you see her
Call out her name
And if you hear her
Out in the rain
Mayflower Maybelle
It was her name
Without a lover
Without a friend
Without a saviour
Without a friend
Without a lover
Without a care
Mayflower walked away
Away towards the air
And if you see her
Call out her name
And if you hear her
Out in the rain
Mayflower Maybelle
It was her name
