

# I'm the Fool

Mark Knopfler

I never thought I'd be the one  
To be the raging bull  
There'd always be a smoking gun  
Who'd up and lose his cool  
I never thought I'd have to say  
I'm sorry, my love, because  
I'm the fool I never  
Fool I never thought I was

I left my dreams with broken strings  
It's time I learnt to talk  
Stop falling over things  
Teach myself to walk  
I'm not a superman  
Or Mr. wonderful, because  
I'm the fool I never  
Fool I never thought I was

I'm the know it all  
Trying to mend his broken heart  
But I don't know who to call  
And I don't know where to start

Now if you should lose your faith in me  
I don't know where I'd run  
I hope you'll always let me be  
Your only one  
Am I your one true love  
Or am I too late for your applause  
I'm the fool I never  
Fool I never thought I was  
Darling, I'm the fool I never  
Fool I never thought I was
