People say 'Where have you been?' Or 'Where did you go?' I'm a slow learner I do everything slow It's my way, has to be true The world goes by me fast But where you're concerned I like good things to last Where's the point in worrying If we should start a little late Where's the point in hurrying When waiting feels so great? I'm a slow burner My last train left a while ago I'm a slow learner I do everything slow

So where's the point in worrying
If we should start a little late
And where's the point in hurrying
When waiting feels so great?
I'm a slow burner
My last train left a while ago
I'm a slow learner
I do everything slow

Yeah, I'm a slow burner
My last train left a while ago
I'm a slow learner
I do everything slow
