Sucker Row

Mark Knopfler

Somebody's gotta crack a whip around here Who's minding the store?
Shake it up sell some beer
What's your money maker for?

Pay day, we're packin' 'em in Six-gun annie and buffalo jill But who's to say they'll be back again For a refill? Honey, you know the drill

Ain't no left turn down sleepy time street You gotta be fast but you gotta stay loose Thinking on your feet Slick as grass through a goose

We gotta rationalise
The payroll is giving me chills
You and me's getting organised
It's kill or be killed
Honey, you know the drill

Well they can all look down on sucker row But they all forget
The tallest trees from acorns grow
Though they ain't yet
I never look down on a sucker stake
They all pay the bills
I never gave a sucker an even break
And I never will

A beautiful vision keeps coming to me I see a miracle mile Flying in for free Service with a smile

High rollers, fancy hotels
Big time singers, topping the bill
You gotta have a feel
For the stuff that sells
Call it a skill
Honey, you know the drill

Somebody's gotta crack a whip around here Who's minding the store?
Shake it up sell some beer
Money walking through the door
Annie's arriving at a dangerous age
Don't you go getting ill
Get another woman up in the cage
Who ain't over the hill
Honey, you know the drill
