

Are You With Me

Mark Owen

Taking a walk
Through the valley of a roadside
Taking a walk through the valley of a roadside
on a sunny afternoon
Smoking a smoke
Through the streets of a poppy field
Smoking a smoke through the streets of a poppy field
on a sunny afternoon
I'm travelling down a man made avenue
Theres a stop sign this time I'm going through

Are you with me
on my journey
Are you with me in the search for the sunshine
On a sunny afternoon

Now I'm driving in my car
Down the path of a hillside
On a sunny afternoon
Holding your hand
Down a lane made for lovers
on a sunny afternoon
I'm travelling down a man made avenue
Theres a stop sign this time I'm going through

[REPEAT CHORUS]

I'm travelling down a man made avenue
Theres a stop sign this time I'm going through
