Still Believe In What Has Fallen Apart

Maroon

This foundation of my existence. A lifetime commitment to self- domination. The oath that lasts forever ...forever! An oath that keeps me free from their hypocrisy.

A COMMITMENT FOR LIFE... A COMMITMENT FOR LIFE - VEGAN! A COMMITMENT FOR LIFE - STRAIGHT EDGE!

My heart is dedicated. To this promise of inner strength. Still believing In what has fallen apart. I STILL BELIEVE I STILL BELIEVE...

A COMMITMENT FOR LIFE... A COMMITMENT FOR LIFE- VEGAN! A COMMITMENT FOR LIFE- STRAIGHT EDGE! 08. BENEATH THE ASHES

Beneath the ashes, I search for evidence. I search for substance to prove existence. Destroyed by the hands of man. Something is lost forever... has died forever!

Our hands- are covered with blood. Our behaviour- is driven by greed. We will soon- fade to an memory. Of a culture- ceased by ignorance.

SOMETHING'S LOST FOREVER!

Beneath the ashes, I search for evidence. I search for substance to prove existence!

Mortality removed by technology. Humanity killed by mankind.

Beneath the ashes, I lost the hope to find some prove. Of a civilised culture cause something... has died forever!

SOMETHING'S LOST FOREVER!
