

# Don't Look Down

Martin Garrix

Is your head spinning?  
Is your heart racing?  
Is there fire in your veins?  
Are your bones burning?  
Is your skin yearning?  
Cause you're driving me insane

I kinda feel like I, feel like I saw the light  
You got me way up, a thousand miles  
Can we stay right here in this atmosphere  
Like we're flying out in space?

Don't look down  
Up this high, we'll never hit the ground  
Don't look down  
See that sky, we're gonna reach it now

Do you feel the lightning inside of you?  
Will you follow through if I fall for you?  
Don't look down  
Up this high, we'll never hit the ground

Oh oh oooh

Oh oh oooh oh, Oh oh oooh oh  
Oh oh oooh oh, oh oh, oh oh  
Oh oh oooh oh, Oh oh oooh oh  
Oh oh oooh oh, oh oh, oh oh

Are your hands shaking?  
Are your fists breaking?  
Are you climbing over walls?  
Are the times changing?  
Is the noise fading?  
Cause I wanna get it out

Oh

I kinda feel like I, feel like I saw the light  
You got me way up, a thousand miles  
Can we stay right here in this atmosphere  
Or are you afraid to fall?

Don't look down  
Up this high, we'll never hit the ground  
Don't look down  
See that sky, we're gonna reach it now  
Do you feel the lightning inside of you?  
Will you follow through if I fall for you?  
Don't look down  
Up this high, we'll never hit the ground

Oh oh oooh oh, Oh oh oooh oh  
Oh oh oooh oh, oh oh, oh oh  
Oh oh oooh oh, Oh oh oooh oh  
Oh oh oooh oh, oh oh

Don't look down

Do you feel the lightning inside of you?  
Will you follow through if I fall for you?  
Don't look down  
Up this high, we'll never hit the ground
