

# After The Dance

Marvin Gaye

Ahhh, Dance with me  
Come on, dance with me. Baby  
Dance with me  
Come on, dance with me. Baby

I want you, ooh Repeat)  
I want you  
And you want me  
So why can't we  
Get together after the dance

All right, ooh  
(Looking girl, saw you smile)  
When I first saw you  
(Looking good on Soul Train)  
You were looking so, so good  
(Oh, I was looking, too)  
Oh, I was looking at you  
(Sweet and so fine)  
Sweet and so fine  
(Freak that she was)  
What a freak thing  
(Tantalizing)

And I thought to myself  
(Ooh, on the floor)  
She was so into her space  
(She started to dance, would she)  
So caught up in the time and the place  
And I wondered would she want me  
(Ah, wonder if she, she'd go for me)  
If she knows what she needs is me

(\* Repeat)

Oh, yeah  
(Talk while we play records, girl)  
We could play so, so sweet  
(Look so fine, move next to me)  
Come on over. Baby, move closer to me  
(Your brown eyes, love for a while)  
I love your smile, stay a while  
Oh, Baby (I just got flashes)  
I feel something (That you're wanting me)  
Something in me

Oh, nobody else, girl  
They'll be talking all night  
(Can we leave sweet love. Baby)  
Why did the morning come so soon  
Love don't need time (Girl)  
To make up its mind  
(Satisfy) That's how I feel  
(All the love inside of me. Baby)  
How could you, Baby  
(What you gonna do)
