Marvin Gaye

Always

Everything went wrong, And the whole day long I'd feel so blue. For the longest while I'd forget to smile, Then I met you. Now that my blue days have passed, Now that I've found you at last I'll be loving you always With a love that's true always. When the things you've planned Need a helping hand, I will understand always. Always. Days may not be fair always, That's when Ill be there always. Not for just an hour, Not for just a day, Not for just a year, But always. Ill be loving you, oh always With a love that's true always. When the things you've planned Need a helping hand, I will understand always. Always. Days may not be fair always, That's when I'll be there always. Not for just an hour, Not for just a day, Not for just a year,

Not for just an hour, Not for just a day, Not for just a year, But always.

But always.
