```
In this life of happiness and sadness
When you've lost out on love
And it all ends up in madness
And you say, Love, please go away
don't torture me, night and day
Then someone real someone who feel comes in.
Now I'm falling in love again
I'm falling in love again
I'm falling in love all over
I'm falling in love again
I found somebody who says she love me
I'm falling in love again, falling in love again, falling in lo
ve
Once again
Hey baby
She's pretty, outside and in
She's so wonderful
I tried not to let my heart slip in
But what to do, baby, what could I do
When somebody real comes in
Someone you feel comes in
Now I'm falling in love again
I'm falling in love again
I found somebody who says she love me
Im falling in love, in love, awwww beautiful woman
I'm falling in love again, oh i think i've fallen in love again
Love is so great, baby
```

Love is so great, baby so love me as if there was no tomorrow (there is no tomorrow) so let's have a toast (see you later) and whisper i love you

I Love You.
