

Gonna Keep On Tryin' Till I Win Your Love

Marvin Gaye

Like the birds in the trees, my heart sings a rhapsody of love
for you

Girl, you won my heart the very first time I laid eyes on you
I know your love belongs to someone else
But girl, I got to have you for myself

So, I'm going to keep on trying
Just keep on trying until I win your love, woo
Going to keep on trying
Just keep on trying until I win your love, woo

A fallen star that's what you are, from the heavens above
There's no treasure on earth, that can match your worth
You're a picture of love
I know to you I'm just a love sick guy
But you're wrong
I love you and I need you, by my side

So, I'm going to keep on trying
Just keep on trying until I win your love, woo
Going to keep on trying
Just keep on trying until I win your love, woo

Aw, yeah
Baby
Keep on

I can't help but thinking about that guy
He just got you by his side
He's got everything
There's is no inch of his happiness to be in his place
I'll be glad to give you anything
I know your love belongs to him
But girl, I can't be satisfied just being your friend

So, I'm going to keep on trying
Just keep on trying until I win your love, woo
Going to keep on trying
Just keep on trying until I win your love, woo

So, I'm going to keep on trying
Just keep on trying until I win your love, woo
Going to keep on trying
Just keep on trying until I win your love, woo
