

# Got To Give It Up

Marvin Gaye

I used to go out to parties  
And stand around  
'Cause I was too nervous  
To really get down  
But my body yearned to be free  
I got up on the floor and thought  
Somebody could choose me  
No more standin' there beside the walls  
I done got myself together baby  
And now I'm havin' a ball  
As long as you're groovin'  
There's always a chance  
Somebody watches  
Might wanna make romance  
Move your body, oooo baby, you dance all night  
To the groove and feel alright

Everybody's groovin' on like a fool  
But if you see me spread out and let me in  
Baby just party high and low  
Let me step into your erotic zone  
Move it up  
Turn it 'round  
Oooo shake it down  
Oowwww, you can love me when you want to babe  
This is such a groovy party baby  
We're here face to face  
Everybody's swingin'  
This is such a groovy place  
All the young ladies are so fine  
You're movin your body easy with no doubts  
I know what you thinkin' baby  
You wanna turn me out  
Think I'm gonna let you do it babe

Keep on dancin'  
You got to get it  
Got to give it up
