

Heavy Love Affair

Marvin Gaye

Look in your eyes and I see the lies
But in my mind it's a mystery
Feeling the pain then I feel the love
And once again you're the world to me

Hey, what is this thing I'm feeling, baby?
What are these strange emotions?
Loving the pleasure sweetly
Loving the pain as deeply

It's almost midnight
And my love is coming down
Lots of ladies love me
But it's still a lonesome town

You've got me looking for love
Though you're my sole desire
Looking for love and a girl for me
You've got me looking for love
And my soul's on fire
Looking for love and a girl for me

Memories of our love obsesses
If I gave into your soul, my dear
Then you really never could be mine
