

His Eye Is On The Sparrow

Marvin Gaye

Ooh, ooh why
Why should I feel
so discouraged
I wanta know why
should the shadows come
hmm humm
Oh tell me why, why, why
Why should I feel so, so lonely, so lonely
and long, long for heaven and a home
Oh yea
Since Jesus, since Jesus
Since Jesus is my potion
I wanta tell the world my constant
my constant friend
Oh is he
Please stay with me Jesus
I know, oh I know his eyes
his eyes are on the sparrow, yes it is
and I know Jesus watches
he watches over me
Oh thank you Jesus
I sing
People I can sing my song
cause, cause I'm happy, help me Jesus
Oh I sing, Lord I sing because I'm free
Oh, oh Jesus, Jesus, Jesus his eyes
his eyes on, on, yes it is, on the sparrow
and I know, Jesus, Jesus
Jesus watches me
