

# I Want You

Marvin Gaye

(I want you) i want you, (the right way) the right way, baby  
(I want you) yes, i do, (but i want you to want me, too) want me, too  
(Want you to want me baby) (girl, i want you to do right, baby)  
Just like i want you

Oh, I'll give you all the love I want in return, sweet darling  
But half a love is all i feel  
Ooh, it's too bad, it's just too sad, you don't want me  
But i'm gonna change your mind  
Someway, somehow, oh baby

I want you, the right way  
I want you, but i want you to want me too  
Want you to want me baby  
Just like i want you

oooh, One way love is just a fantasy, oww sugar  
To share is precious, pure & fair, oooh  
Don't play with somethin' you should cherish for life, oh baby  
Don't you wanna care? Ain't it lonely out there?

I want you, want you, baby  
I want you, but i want you to want me, too  
Oh, i want to get down, baby  
(Just like i want you) When I get down with you  
yeah, darling! ohhh  
get down, baby, whoo, have mercy  
listen, precious  
i've wanted you a long time  
i want you, i need you bad  
aww, baby, you're so good  
owwwwwwwwwww!

I want you, the right way, baby  
I want you, baby, but i want you to want me, too  
(Want you to want me baby) got to, got to, got to  
(Want you to want me baby) love me, sugar  
(just like i love you) oh, the way that i love you, ooooooh  
I want you
