## **Pledging My Love**

## **Marvin Gaye**

Forever my darling our love will be true Always and forever I'll love just you Just promise me darling your love in return Make this fire in my soul forever burn

Forever my darling our love will be true Always and forever I'll love just you Just promise me darling your love in return Make this fire in my soul, dear, forever burn

My heart's at your command, dear To keep love and to hold Making you happy is my desire Keeping you is my goal

And I'll forever love you For the rest of my days I'll never part from you And your loving ways No I'll never part from you And your loving ways And I'll never part from you And your loving ways

Yes, forever my darling I won't love nobody but you Give me love in return
