The Party's Over

Marvin Gaye

The party's over It's time to call it a day They've burst your pretty balloon And taken the moon away It's time to wind up the masquerade Just make your mind up the piper must be paid

The party's over The candles flicker and dim You danced and dreamed through the night

It seemed to be right just being with him Now you must wake up, all dreams must end Take off your makeup, the party's over It's all over, my friend

The party's over It's time to call it a day

Now you must wake up, all dreams must end Take off your makeup, the party's over It's all over, my friend

It's all over, my friend
