

This Will Make You Laugh

Marvin Gaye

When you loved me
i was walking on rainbows
like nobody else has done

This will make you laugh
but darling i staked my dream on you, aww baby
this will make you laugh
they never did come true, they never did come true

i took a chance on young romance
& vowed it would not miss
but i never, never, never should have judged
a heart by a kiss

this is gonna make you laugh
but baby, i believed in you
for all my love, darling, you didn't see it through, boo-hoo
for all the fools, i break the rules
i love you, can't you see?
this will make you laugh
but it's not funny...

this shit ain't one bit funny to me.
