

# Breathe In Breathe Out

Mat Kearney

Breathe in, breathe out,  
Tell me all of your doubts,  
& Everybody bleeds this way,  
Just the same.

Breathe in, breathe out,  
Move on and break down,  
If everyone goes away i will stay.

We push and pull,  
& I fall down sometimes,  
I'm not letting go,  
You hold the other line.

Cause there is a light in your eyes, in your eyes.

Hold on hold tight,  
From out of your sight,  
If everything keeps moving on, moving on,  
Hold on hold tight,  
Make it through another night,  
& everyday there comes a song with the dawn,  
We push and pull and I fall down sometimes,  
I'm not letting go,  
You hold the other line.

Cause there is a light, in your eyes, in your eyes.  
There is a light, in your eyes, in your eyes.

Breathe in, and breathe out.  
Breathe in, and breathe out.  
Breathe in, and breathe out.  
Breathe in, and breathe out.

Look left look right,  
To the moon in the night.  
& everything under the stars is in your arms.

Cause there is a light, in your eyes in your eyes.  
There is a light, in your eyes, in your eyes.  
There is a light, in your eyes, in your eyes.  
There is a light, in your eyes, in your eyes.
