## **Fall Of Man**

## **Matthew Good Band**

You pray for the sheep
I get closer to hell
I stand on the hill
then I run down
I look in your eyes
you look for your price
you beg me to stop
but I was never that nice

Never did mind about the little things we'll stick to the plan the fall of man

You pray for the sheep look forward to hell go live on the hill no one comes down I look in your eyes you look for some teeth like nickels at night left under the sheets

Never did mind about the little things we'll stick to the plan the fall of man

What you don't know won't kill you
