

Let's Get It On

Matthew Good Band

Hey there bad seeds
Let's get it on
Yeah, yeah, yeah, yeah, yeah, yeah
I'll shut up and keep my end
Let's get it on
Yeah, yeah, yeah, yeah, yeah, yeah

Our sycophantic replacements
Are here at last
Yeah, yeah, yeah, yeah, yeah, yeah

So impossible
The doubt in everything, on everything
Is so impossible
The doubt in everything, everything

So load up and keep marching
The push is on
Yeah, yeah, yeah, yeah, yeah, yeah

So impossible
The doubt in everything, on everything
Is so impossible
Down came your blackbird
To suffer in my arms
