

I am falling now

Maximilian Hecker

There is no ending to this life
That I've to live with endless sighs
oh, can't you see I'm falling now
Oh, can't you hear these words somehow
But I can see the sadness in your eyes
And I can see the sadness in your smile

Hold me now
Heal my wounds
Hold me now
Heal my wounds
Hold me now
Heal my wounds
Hold me like you did

There is no ending to this life
That I've to live with endless sighs
And all I know is that my head is gone
And I am falling now
But I can see the sadness in your eyes
And I can see the sadness in your smile
(You don't miss me)
(You don't love me anymore)
(You don't need me)

Hold me now
Heal my wounds
Hold me now
Heal my wounds
Hold me now
Heal my wounds
Hold me like you did (3x)
