Misery

Maximilian Hecker

I can't stand all your misery
And I can't stand what you try to flee from
I can't stand all your witchery
And I can't stand what you try to be in my world

But I'm going to wake you
And I'm going to take you
And I'm going to shake you
Cause I want you
Cause I want you

Will you stand all my misery?
And will you stand what I try to flee from?
Will you stand all my witchery?
And will you stand what I try to be in your world?

But you're going to wake me
And you're going to take me
And you're going to shake me
If you want me
And I'm going to wake you
And I'm going to take you
And I'm going to shake you
Cause I want you
Cause I want you
