

I was reborn when I was broken  
I wouldn't believe, I wouldn't believe, no  
been thru a storm, no use in hoping  
that you would come rescue me  
somehow your love set me free

And I, I can let my life pass me by  
or I can get down and try  
work it all out this lifetime  
work it on out this time  
I can let it all pass me by  
or I can get down and try  
work it all out this lifetime lifetime

There was a time when love wasn't chosen  
now I'm just open for more  
now I'm just reaching out for something better  
that I had before, girl  
there ain't a bottom line in your world

Ooh and I, I can let my life pass me by  
or I can get down and try  
work it all out this lifetime  
work it on out this time

I can let it all pass me by  
or I can just try and try  
I can move to the light  
oh if I take it one day at a time (oh I)  
oh spread my love out and fly  
oh I (I can move to the light)  
ooh I can just make you understand  
that love is not a fairytale in a melody  
if you want it you can have it girl  
maybe you will see maybe you will see (ooh ooh)  
ooh oh oh wo oh  
lifetime lifetime
