Lifetime

Maxwell

I was reborn when I was broken I wouldn't believe, I wouldn't believe, no been thru a storm, no use in hoping that you would come rescue me somehow your love set me free

And I, I can let my life pass me by or I can get down and try work it all out this lifetime work it on out this time I can let it all pass me by or I can get down and try work it all out this lifetime lifetime

There was a time when love wasn't chosen now I'm just open for more now I'm just reaching out for something better that I had before, girl there ain't a bottom line in your world

Ooh and I, I can let my life pass me by or I can get down and try work it all out this lifetime work it on out this time

I can let it all pass me by or I can just try and try I can move to the light oh if I take it one day at a time (oh I) oh spread my love out and fly oh I (I can move to the light) ooh I can just make you understand that love is not a fairytale in a melody if you want it you can have it girl maybe you will see maybe you will see (ooh ooh) ooh oh oh wo oh lifetime lifetime
