

# Henny & Gingerale

Mayer Hawthorne

It never fails Henny and gingerale  
I got my cup and I'm filling it up I can't get enough  
It never fails Henny and gingerale  
I got my cup and I'm filling it up I can't get enough

It never fails Henny and gingerale  
I got my cup and I'm filling it up I can't get enough  
It never fails Henny and gingerale  
I got my cup and I'm filling it up I can't get enough

And I'm gone have me a time  
Well oh me well alright out of mind outta sight  
And I'm gone have me a time  
We're ok feeling fine outta sight out of mind

It never fails Henny and gingerale  
I got my cup and I'm filling it up I can't get enough  
It never fails Henny and gingerale  
I got my cup and I'm filling it up I can't get enough

And I'm gone have me a time  
Well oh me well alright out of mind outta sight  
Yeah I'm gone have me a time  
We're ok feeling fine outta sight out of mind

And everybody at the party playing X's and O's  
We're gonna pop that when we're ready to go  
And everybody at the party playing X's and O's  
We're gonna pop that tic tac toe hey hey hey hey
