

Make Her Mine

Mayer Hawthorne

Ooo, I may not drive a new Mercedes
But I'll chauffeur my girl, to the edge of the world
I may not wear a golden watch now
But I'll be right on time, for a woman so fine

I got love so pure,
The object of my affection, that's her
She lives on the other side of town
And I know that her father doesn't want me hangin' around
But I'm gonna turn her whole world upside-down
If I make her mine, o mine, o mine
When I make her mine

She shops on rodeo drive,
But I love that girl, yes I love that girl
And I know I'm qualified, to love that the girl
She's the only girl, in the whole wide world

I may not be a rich attorney
But I'll win my girls heart in a trail of love
I may not have the giant mansion
But I'll treat her so right, keep her warm at night

I got love so pure,
The only woman that I want in the world is her
She lives on the other side of town
And I know that her father doesn't want me hangin' around
But I'm gonna turn her whole world upside-down
If I make her mine, o mine, o mine
When I make her mine

Oooh, I'm gonna make her mine, o mine, o mine
I'm gonna make her mine
