And I knew I was close to you And I will Catch me flying in the sun Catch me drinking of your wine

I'm gonna put something in you Make the devil feel surprised All your sisters wanna fly Around my golden sky Around my golden sky

Just because you feel, hollow inside it's real Just because you feel, hollow inside it's real I'm gonna put something in you Make the devil feel surprised Make the devil feel surprised

And I knew I was close to you And I knew Catch me flying in the sun Catch me drinking of your wine
