

## Rhymes of an Hour

Mazzy Star

Cannot hear what you're saying  
Could I tell you so  
And I can't leave my troubles  
And I'm going home

(Lie and) sleep  
Under deep  
You know

While the cold winter waitin'  
While you (stumble home)  
All these things we were searchin'  
Now we just don't know

(Lie and) sleep  
Under deep  
I think you know

For the rhymes of an hour  
Now I'm goin' home  
And I can't believe I'm nothin'  
'Cause I'm coming DOWN

(Lie and) sleep  
Under deep  
Do you know
