

History's Greatest Assholes

MC Lars

I got a new drum set, I'm testing it out
Look what I can do mom - yo!
So people always remember the good guys, but
what about the villains?
I-I-I've compiled a list of my favorite ones (turn me up)
in rap form, for you, here we go
The greatest assholes, in more or less chronological order

Here's a list of famous assholes, let's start with this dude
named Cain - he killed his brother, and that was just rude (family values)
Brutus & Cassius were jerks, just a little
Nero was no hero; Rome burned he played the fiddle
Caligula could give you a night to remember
Genghis Khan might tie you up, might lacerate your member
And when it came to ballers there was Vlad the Impaler
He'd run a stake up through you out your mouth to make you holla
It's no mystery, history remembers
Pirates pillaging, and villagers dismembered
Vikings on a quest in their dragon-shaped boats
Runnin up on castles, jumpin over moats
Christopher Columbus rolled up with a fungus
Pizarro and Cortes made the natives all say "Um this
one-sided exchange, is not that nice" (run for your life)
Like Henry the 8th, beheading wife after wife

History's greatest, ASSHOLES [3X]
I'm calling you out, I'm calling you out
History's greatest, ASSHOLES [3X]
I'm smoking you out, I'm smoking you out

Benedict Arnold, and Oliver Cromwell (traitors)
Napoleon Bonaparte, all wish it had gone well
With blown apart plans, like Andrew Jackson
A Trail of Tears, dividing families like fractions
Jack the Ripper had bad morals like Lenin
Stalin killed 20 million, and sent them all to heaven
or hell I don't know, but one thing is for certain
So many Russian people murdered, behind an iron curtain
Gavrio Princip shot Franz Ferdinand
which lead to World War I and a famous Scottish Band
Which lead to World War II and freakin bodies everywhere
At the Holocaust Museum there's a wall of shoes and hair
On a rainy day in Amsterdam, tell me way
I saw the Anne Frank house and it made me cry (she couldn't leave)
So whistle while you work, Hitler was a jerk (no workers' comp)
Mussolini was a weenie, asshole's got some nerve!
