

Humphrey the Whale

MC Lars

Humphrey the Whale should have GPS,
Humphrey the Whale should get GPS.
Humphrey the Whale should have GPS,
Humphrey the Whale should get GPS.
Humphrey the Whale should have GPS,
Humphrey the Whale should get GPS.

Humphrey the Whale should have GPS,
Humphrey the Whale should get GPS.
Humphrey the Whale should have GPS,
Humphrey the Whale should get GPS.

So you're not stuck in the Sacramento Delta, Humphrey!
Fresh water is not good for marine mammals.
So stay out of the Sacramento Delta and swim in the San Francisco Bay where you belong,
Because it's not healthy, and this is the end of my song,
Humphrey.
