## What's Your Name

## **Meat Beat Manifesto**

Operator get me through Operator get me through Got to get me through to you, to you Can you see them, they all look the same Did you hear them they cried out your name Can you feel them they're dying in shame They're dying in shame They're dying in shame They're dying in shame Operator get me through Got to get me through, to you Operator get me through Destination the common view The common view The common view What's your name? What's your name? What's your name? What's your name?
