

Did You Ever Love Somebody

Meat Loaf

Did you ever love somebody
So much that the earth moved
Did you ever love somebody
Even though it hurt to
Did you ever love somebody
Nothin' else your heart could do
Did you ever love somebody
Who never knew
Did you ever lay your head down
On the shoulder of a good friend
And then had to look away somehow
Had to hide the way you felt for them
Have you ever prayed the day would come
You'd hear them say they'd feel it too
Have you ever loved somebody
Who never knew
And if
And if
You did
You did
Well you know I'd understand
I could
I could
I would
More than anybody can
Did you ever love somebody
So much that the earth moved
Did you ever love somebody
Even though it hurt to
Did you ever love somebody
Nothin' else your heart could do
Did you ever love somebody
Like I love you
Like I love you
