Heaven can wait And a band of angels wrapped up in my heart Will take me through the lonely night Through the cold of the day And I Knowi know Heaven can wait And all the gods come down here just to sing for me And the melody's gonna make me fly Without pain Without fear Give me all your dreams And let me go alone on your waygive me all of your prayers to sing And I'll turn the night into the skylight of day I got a taste of par I'm never gonna let it slip away I got a taste of paradise It's all I really need to make me stay Just like a child again Heaven can wait And all I got is time until the end of time I won't look backi won't look back Let the alters shine And I know that I've been released But I don't know to where And nobody's gonna tell me know And I don't really care No no no I got a taste of paradise That's all I really need to make me stay I got a taste of paradise

If I had it any sooner you know
You know I never would have run away from my home

Heaven can waitand all I got is time until the end of time I won't lo ok back

I won't look back Let the alters shine

Heaven can wait Heaven can wait I won't look back I won't look back Let the alters shine
