

# I'm Gonna Love Her for Both of Us

Meat Loaf

I can't stand to see it no more  
The way you're living with a goddess but you treat her like a slave  
And you can't hold her back anymore  
She's like a dreamer in a dungeon or an angel in a cave

And I've been closer to you now than any other boy  
And you know that what I'm saying is true  
You're gonna break her up and tear her down and fade her away  
And then there's no telling what I'm gonna do  
I'll make you pay for everything that you do  
I'll make you pay for everything that you do  
But if you give me your girl, and then you give me your trust  
And if you give me till the end of the night  
I'm gonna love her for both of us  
I'm gonna give her everything you always wanted to give  
I'm gonna love her for both of us  
I'm gonna take her every moment that she wanted to live  
I'll let her shine like a jewel in the crown of the holy sun  
You turned her into a ghost but she'll be burning when the night is done  
I'll let her shine like a jewel in the crown of the holy sun  
You turned her into a ghost but she'll be burning when the night is done  
You gotta give me your girl and your trust  
I'm gonna love her for both of us

You can't hide away anymore  
You had a chance but you blew it and you'll never get it back  
And your holiness was never so pure  
She needs a fire in the heart and not a stabbing in the back

And I've been closer to you now than any other boy  
And you know that what I'm saying is true  
You're gonna break her up and tear her down and fade her away  
And then there's no telling what I'm gonna do  
I'll make you pay for everything that you do  
I'll make you pay for everything that you do  
But if you give me your girl, and then you give me your trust  
And if you give me till the end of the night  
I'm gonna love her for both of us  
I'm gonna give her everything you always wanted to give  
I'm gonna love her for both of us  
I'm gonna take her every moment that she wanted to live  
I'll let her shine like a jewel in the crown of the holy sun  
You turned her into a ghost but she'll be burning when the night is done  
I'll let her shine like a jewel in the crown of the holy sun  
You turned her into a ghost but she'll be burning when the night is done  
You gotta give me your girl and your trust  
I'm gonna love her for both of us

When the screws are tightnin' and the tears are falling  
I can hear her crying out to be saved  
And like a bolt of lightning I go answer the call  
But she's singing like a siren to me over the waves  
I never wanted to take away your lover  
Until I heard her crying out to be saved  
I always thought of you as one of my brothers  
But she's singing like a siren to me over the waves  
Singing like a siren to me over the waves

There ain't no holding me down!

(Instrumental)

I'll let her shine like a jewel in the crown of the holy sun  
You turned her into a ghost but she'll be burning when the night is done  
I'll let her shine like a jewel in the crown of the holy sun  
You turned her into a ghost but she'll be burning when the night is done  
You gotta give me your girl and your trust  
I'm gonna love her for both of us

I'm gonna love her for both of us, I'm gonna love her for both of us  
I'm gonna love her for both of us  
(Gonna give her everything you always wanted to give)  
I'm gonna love her for both of us  
(Gonna take her every moment that she wanted to live)  
I'm gonna love her for both of us  
(Gonna give her everything you always wanted to give)  
Repeat last block x3

I'm gonna love her for both of us  
(Gonna take her every moment that she wanted to live)  
I'm gonna love her for both of us  
(Gonna give her everything you always wanted to give)
