## Left in the Dark

You don't need to sneak in the door Just come on in to the room I've been lying in our bed in the dark all alone I've been waiting, I've been waiting for you

There's been no reason to move It's been as still as a tomb I needed you oh so badly tonight But I guess you had better things to do

I should have known that it was coming to this But I must have been blind I bet you still got a trace of his love in your eyes And you still got his eyes on your mind

You swore you'd be with me at 7 o'clock Now it's a quarter to 3 Well whatever you got and whoever it who was I guess you couldn't get it from me Whatever you got and whoever it who was I guess you couldn't get it from me

I know that you love me, there's no need to talk I see the look in your eyes and I got the proof And there are no lies on your body so take off your dress Oh I just want to get at the truth

I know that you love me, there's no need to talk I see the look in your eyes and I got the proof And there are no lies on your body ohh so take off your dress Ohh I just want to get at the truth

And there are so many things that I just got to know You tell me who, you tell me where, you tell me when? But don't tell me now I don't need any answers tonight

I just need some love, so turn out the lights And I'll be left in the dark again I just need some love, so turn out the lights And I'll be left in the dark again I just need some love, so turn out the lights And I'll be left in the dark again ooh, in the dark again

I should have known that it was coming to this But I must have been blind I bet you still got a trace of his love in your eyes And you still got his eyes on your mind

You swore you'd be with me at 7 o'clock Now it's a quarter to 3 Well whatever you got and whoever it who was I guess you couldn't get it from me No I guess you couldn't get it from me Oh but down in my soul, down in my soul I know

I know that you love me, there's no need to talk

## **Meat Loaf**

I see the look in your eyes and I got the proof And there are no lies on your body so take off your dress Ohh, I just want to get at the truth

But there are so many things that I just got to know You tell me who, you tell me where, you tell me when? But don't tell me now I don't need any answers tonight

I just need some love, so turn out the lights I'll be left in the dark again I just need some love, so turn out the lights I'll be left in the dark again Ohh, I just need some love, so turn out the lights I'll be left in the dark again

Oh I just need some love, so turn out the lights I'll be left in the dark again Oh I just need some love, so turn out the lights I'll be left in the dark again Oh I just need some love, so turn out the lights I'll be left in the dark again

Left in the dark You made the very first move
