

## Whirlpool

## Meat Puppets

There was a swirling mass of water  
That lived in a quiet pond  
It asked permission from its master  
To visit the lands beyond

And its master allowed it to fly  
So the wind swept the whirlpool across the sky

The whirlpool's mother wore a jacket  
She'd sewn out of dental floss  
It was stolen by a monkey  
That sold it to an albatross

And it had the idea to fly  
So the wind swept the whirlpool across the sky
