Whirlpool

Meat Puppets

There was a swirling mass of water That lived in a quiet pond It asked permission from its master To visit the lands beyond

And its master allowed it to fly So the wind swept the whirlpool across the sky

The whirlpool's mother wore a jacket She'd sewn out of dental floss It was stolen by a monkey That sold it to an albatross

And it had the idea to fly So the wind swept the whirlpool across the sky

There was a swirling mass of water That lived in a quiet pond It asked permission from its master To visit the lands beyond

And its master allowed it to fly So the wind swept the whirlpool across the sky And it had the idea to fly So the wind swept the whirlpool across the sky
