

Boys With Girlfriends

Meiko

When I first met you I knew you were the one
Till you took me home and I met her
She had your boxers on
And she was listening to your song
And I thought right then that you had everything

But I knew, she was jealous from the start
Yeah I knew, she was jealous from the start
Cause I know better not to be friends with boys with girlfriends
Oh I know better than that, I know better
You play the victim and I'll be the bad guy
I know better than that, I know better

We started hanging around every night
I could've sworn that I was yours
You looked at me and said, "It's a little too late for bed."
We went to the hotel and talked about everything

But I knew, she was jealous from the start
Yeah I knew, she was jealous from the start
Cause I know better not to be friends with boys with girlfriends
Oh I know better than that, I know better
You play the victim and I'll be the bad guy
I know better than that, I know better

Cause what she did to us was tragic
Oh, oh, oh, oh
And I had to do what's right
Oh, oh, oh, oh
What we had was really magic
Oh, oh, oh, oh
But I had to get what's mine
What's mine
I'll get what's mine
And you'll get yours

Cause I know better not to be friends with boys with girlfriends
Oh I know better than that, I know better
You play the victim and I'll be the bad guy
I know better than that, I know better

I know better not to be friends with boys with girlfriends
Oh I know better than that, I know better
You play the victim and I'll be the bad guy
I know better than that, I know better than that

I know better not to be friends with boys with girlfriends
Oh I know better than that, I know better
