

## Brand New Key

Melanie

I rode my bicycle past your window last night  
I roller-skated to your door at daylight  
It almost seems like you're avoiding me  
I'm okay alone, but you got something I need

Well, I got a brand new pair of roller skates  
You got a brand new key  
I think that we should get together and try them out you see  
I been looking around awhile  
You got something for me  
Oh! I got a brand new pair of roller skates  
You got a brand new key

I ride my bike, I roller skate don't drive no care  
Don't go too fast, but I go pretty far  
For somebody who don't drive  
I been all around the world  
Some people say, I done all right for a girl

Oh, yea yea, oh, yea yea yea, oh yea yea yea yea yea yea  
I asked your mother if you were at home  
She said yes but you weren't alone  
Oh, sometimes I think that you're avoiding me  
I'm okay alone, but you got something I need

Well, I got a brand new pair of roller skates  
You got a brand new key  
I think that we should get together and try them out to see  
La la la la la la la la, la la la la la la  
Oh! I got a brand new pair of roller skates  
You got a brand new key
